104 Laurel Pond, Sunset South Carolina 29685

Construction is underway, all inclusive pricing! Plenty of time to make your own customized finishes. Mill Creek post & beam cottage has taken the very best of centuries-old woodworking and joinery and combined it with state-of-the-art modern technology to create timber frame homes and buildings that will stand for centuries. Inspired by the country homes and barns of yesterday, a Mill Creek home combines thoughtful design and craftsmanship while maintaining old world charm and style. The cottage has over 4,000 square feet and overlooks the peaceful waters of Laurel Pond with just a short walk or golf cart ride to the Orchard House and the Village. *The furnished interior photos are for reference and are from a completed Laurel Pond Cottage. Premier membership required.
